

General Notes

The information depicted on this map was derived from a series of surveys made on the date indicated and on the basis of the best available information at the time. The general character and type of land uses otherwise noted on this map are considered as indicated in the legend and type of land uses otherwise noted on this map.

All place names and soundings are in feet and are referred to the International Datum Borneo 1985 (IGLD 85) datum. All north-south positions are referred to North American Datum 1983 (NAD83). See the State of Alaska Department of Transportation's website (<http://www.alaska.gov/transportation/aviation/chartinfo.html>) for additional notes regarding charting standards. To have a digital version of the survey emailed to you, click on the "REQUEST" button on the right side of the page. To view the survey online, click on the "VIEW SURVEY" button. To send a message containing your request, click on the "SEND MESSAGE" button.

This drawing was prepared using a CAD system.
